In our success to please the people -- Fact is they enjoy coming -- bring their friends, and they enjoy it. Here it is:

Qualities Good

Prices Right Always!

Our friends and patrons remember this and come again.

The ground hog was about right -- Winter still lingers in the lap -- but speaking of those things reminds us of the nice stock of New Spring Dress Goods we are receiving. We are at the head of the procession when it comes to New Goods and Low Prices. New Silks, New Henriettas, Serges, Brilliantines and Mohairs.

It isn't exactly the season for thunderstorms. But our thundering big stock of Clothing must be made to go off like lightning to make room for the showers of new stock arriving every day. Make a streak for the Bargains we are now offering.

"The Woman Who Never Said a Word". The latest romance of high life in the metropolis -- must have been looking at our Bargains in Dress Goods and trimmings, and was afraid some one would get the start of her.

The presidential bee is now trying to gather honey out of that pretty flower, the bar, but we are not opening that kind of cooperation -- ours are filled with The Rolston Health Flour the best food known to man. Milled on strictly scientific principles in accordance with a formula furnished by the Rolston Health Club. Contains every element required by the human system and in exactly the proper proportions to make you healthy and happy. Call and see what we are doing in the line of pure and healthful goods.

The Rolston Health Club Model Cook Book, best and greatest book ever published, tells how to cook and when to cook. You can't help but be healthy if you follow the instructions. They are plain, easy and economical. You culture all the other four senses. Why not culture, educate the sense of "taste"? Because you are not rich isn't an excuse. We have made it possible for every one to culture their taste for articles of food of the highest standard. Enjoy even the table luxuries. It gives the body more strength and durability to be nourished on pure nutritious foods and educates your taste for a better mode of living. We sell the Rolston Health Foods and the purest groceries we can buy, and the prices are kept down to the lowest notch.

The popular Loan was all right and so are our popular prices on Garden Tools and Hardware.

Solid steel handled ax, 83c; steel dirt shovel, 38c; steel spading fork, 58c; steel hatchets, 20 and 35c; steel hammers at 25 and 35c; hand saws at 50, 75c and \$1.00. Mrs. Pott's Irons, 3 in a set, with cold patent handle and stand, all for 70c. Cheaper than pot metal. Set of 3 fire clay stew pots for 25c, regular price 60c.

One dozen boxes best parlor matches for 10 cents.

SPECIAL -- And for only! Three Gent's and one Ladies' Wheels, good quality and warranted. A sample lot and will be sold for less than wholesale prices, viz: Gent's at \$1.45; Ladies' Wheel at \$42.95. No duplicates, only four at these prices. The early bird catches. So can you this bargain. A word to the wise.

You don't need a derrick to raise you if you buy one of our Owl Nickel Alarm Clocks. The amount of get-up-and-go that a man gets for 75 cents is truly wonderful. Try one, that's all you'll need.

Lots and piles of other goods you will need this spring which we will show you when you call. We ain't afraid to tell all about them, but if we had all this paper for an ad., you would not have the pleasure of knowing how fetching prices are when spoken in a charming way by a polite salesman. Don't delay your visit to the great Bargain Emporium of this city and county one day longer.

OHIO SILVERITES.

The State Well Represented at the Meeting Held in Cleveland.

CLEVELAND, O., March 14. -- A meeting of silver men, representing nearly every county in Ohio, was held at the Hollenden hotel Friday night. It was stormy from the outset and at several junctures it seemed that the meeting would be forced to adjourn because of differences of opinion. The main source of contention was the proposition of Mr. A. B. Brown, of Cincinnati, that four silver men be recommended to the democratic state convention as delegates at large to the national convention. L. E. Holden, of Cleveland; E. B. Finley, of Bucyrus; Allen W. Thurman, of Columbus, and E. W. Moore, of Greenville, were named. Then turmoil reigned. Arguments pro and con politically were made and satire and innuendo were freely handed about. The motion was finally laid on the table. Next it was determined that organizers be appointed to visit every county, awaken an interest in the silver movement and work for the election of silver men to the state and national conventions. At an early hour Saturday morning the convention adjourned. It is likely that another meeting will be held.

THE SALE COMPLETE.

The Cincinnati, Lebanon and Northern Railroad Under the Control of Goodhart & Co.

CINCINNATI, O., March 14. -- The C. L. & N. sale was completed Saturday morning when 3,500 shares of stock were deposited at the National Lafayette bank, for which the stipulated 75 cents a share was paid. President Hafer was on Third street early Saturday and was in conference with Edward Heinsheimer, who handles all of Goodhart's business here. Before noon he had deposited at the bank his entire holdings, and before the bank closed the holdings of Calvin S. Brice and Samuel Felton were deposited to be turned over to Goodhart & Co., in all about 3,500 shares, thus placing the entire stock of the road, for the time being, in the hands of the brokers who have engineered the deal.

Congressman Fenton Renominated.

COLUMBUS, O., March 14. -- Congressman L. J. Fenton was nominated for congress by the republican congressional convention at Portsmouth Saturday and Congressman A. C. Thompson, of Portsmouth, and ex-Attorney General Richards, of Ironton, were chosen delegates to the national republican convention. They were instructed to support McKinley. This convention was called by the minority of the congressional committee. A primary election on April 4 has been called by the majority of the committee and will select contesting delegates.

O'Grady Declared Insane.

CINCINNATI, March 14. -- Dominick O'Grady, who followed pretty Mary Gilmartin across the ocean to murder her, was declared insane Saturday. The jury was out in Judge Buchwalter's court for a minute and a half. The trial of the whole case lasted only an hour and a half. Rev. T. J. Melish, of Clifton, was foreman of the jury. The verdict was unanimous. The testimony of all the experts agreed that the prisoner was demented. O'Grady was probated to Longview asylum by the commit court.

Fatal Fire Near Bellefontaine.

BELLEFONTAINE, O., March 14. -- The home of Mr. George Tidd, who lives north of town, burned to the ground with all its contents. The family were asleep when the fire caught and despite all efforts Mr. and Mrs. Tidd, together with a daughter aged 15 years, were fatally burned, while a daughter aged seven years perished in the flames. The night was bitter cold and the neighbors did all they could to relieve the sufferings of the unfortunate victims.

Peculiar Case of Blood Poisoning.
WATSON, O., March 14. -- Nelson Gould, a quite wealthy farmer, residing near here, died early Friday morning from the effects of blood poisoning, contracted in a peculiar manner. While dressing a sore on one of his cattle the virus came in contact with a slight scratch on his hand. This rapidly developed into blood poisoning, from which he died after great suffering.

Robert P. Porter Off for Japan.
CLEVELAND, O., March 14. -- It is said by his friends that Robert P. Porter, of this city, will leave with his family Saturday for a two months' visit to Japan. Mr. Porter means to make an investigation of the industrial affairs of that country. His researches will have an especial bearing on Japan's ability to compete with American manufacturers.

Contractor Under Arrest.

COLUMBUS, O., March 14. -- F. W. Stock, a brick contractor, is under arrest on a charge of forgery. The complainant is Jacob Wulle, a High Street saloon keeper, who claims that he cashed a check for Stock to which the name of George J. Denmead was illegitimately attached.
